Evan Munro Rink Tops In Annual Open Bonspiel

The Evan Munro rink took first prize in the first event at the annual Vulcan men's open bonspiel, held last week. Thirty rinks were entered.

Second prize in the top event was won by the Vernal Haga rink, third prize by the Joe Rushfeldt

rink and fourth by the Roy McLennan rink.

In the second event, the George Ellis rink from Champion won top honors, the Bud Haverty rink second, the John Wolfe rink third and the Mel Jordan rink fourth.

Martin Matlock's Champion rink won first in the third event, with the Stan Kehr rink taking second spot, the Rhodes rink from Champion third and the Wickens rink from Nanton fourth.

The fourth event saw the Harris Matlock rink take first, the Vic Rushfeldt rink second, the Stan Kehr rink third and the Lawrence Haga rink fourth.

The fifth event was won by Frank Fletcher's Brant rink, with Burnell Drummond's crew taking second spot, Stephenson's Ensign rink in third spot and J. Leslie's Mossleigh rink in fourth place.

Hockey Brothers

Bud Johnson, one of Vulcan's most enthusiastic hockey supporters and coach of the Junior Flyers, has part of a lineup ready-made in his own home. His four sons, pictured here, ranging in age from Jimmie, 2½ years old, to Joey at 10 years of age, are hopeful, along with the rinkful of other young hockey players, that from somewhere will come the finances needed to see artificial ice in the near future.

Curfew Bylaw Rescinded

Vulcan's contentious curfew bylaw, subject of much criticism by parents who felt that its terms were too rigid, was "thrown out" by the town council at the regular meeting Monday night of this week.

Following the receipt of a petition bearing the signatures of 105 parents, representing the same number of families, council passed yet another bylaw rescinding the curfew bylaw. As of now, there are no restrictions on the hours to be kept by children under the age of 16, the only controls being those imposed by the parents.

The bylaw, now rescinded, had made it unlawful for any child under the age of 16 to be on the streets after 10:00 p.m., unless accompanied by a parent or guardian. At functions such as shows or dances, extending after 10:00 p.m., a parent or guardian had to meet and accompany the child home from the place where such function was being held.

A second petition presented to council, asking that the town police force be reduced to a chief constable and a night watchman, was tabled until the next council meeting.

12 Rinks In Elks' Bonspiel

The Vulcan Elks Lodge held their one-day bonspiel on Monday, March 12, with an entry of 12 rinks.

Winners of the First Event were Vernal Haga, Harold Mensinger, Von Ostergaard and Don McFadden, with Vic Rushfeldt's rink coming second. Second Event winners were Ray Wellman, Tooke Beckner, Buddy Byers and Ernie Bowie. They won over Jim Clark's foursome in the final.

Queen Scout Badges Presented At Lomond

Some further details of the Lomond Scouts father and son banquet (reported in last week's paper) have been made available through our Lomond correspondent.

Lomond boys presented with their Queen Scout badges by Kjeld Pederson, Assistant District Commissioner, were David Sande, Vern Pearson, Keith Goldthorpe, Gary Sokvitne, Bill Stannard, Ross Ens, Leif Pederson, Henning Pederson, Gordon Fraser and Richard Thurlow.

On behalf of "A" Troop, Gary Sokvitne presented Mr. Pederson with the Gikwell Trophy (an axe and log paperweight) as a token of the boys' appreciation of the many hours Mr. Pederson had spent with them and the help he had given them while he was their leader. Mr. Pederson, who is now leader of the Lomond Rover Patrol (the first Rover Patrol in Southern Alberta) was also presented with the Wood Badge, which he had earned this year.

Quality has everything in its favor including the price.

Thirty men from the Rural Fire Protective Co-operative got the "feel" of their investment this winter when they took the Auxiliary Firemen's course in the town fire hall, and received instruction on the rural pumper, bought by the Co-op.

Above, many of the rural boys

are pictured as they talked shop over doughnuts and coffee with Vulcan Brigade members during the last evening of the program.

Five weekly sessions were held under the supervision of Fire Chief Bob Johnson in which fundamentals were taught in handling the rural pumper and general

fire safety and farm fire fighting. Most areas included in the Co-op were represented and the object was to familiarize as many farmers as possible with the equipment and procedure in order that they might take a more active part with the four regular town members, if fire strikes in their area.

To Discuss Little Bow Water Project

Harry Hargrave, of the PFRA, Regina, will be the main speaker at a public meeting to be held in the Vulcan high school auditorium on Tuesday, March 20, at 8:00 p.m.

Purpose of the meeting is to discuss projects that might be undertaken through the new Agricultural Rehabilitation and Development Act. Conservation pro-

jects in grazing leases and dams for water storage are possible projects under the new act and information will be sought regarding the possibility of a diversion from the Highwood river to increase the flow in the Little Bow river for stock watering, small irrigation projects and as a source of water for the towns of Vulcan, Champion and Carmangay.

At High School

Milo, Champion Teams Win Basketball Tourney

Another successful high school basketball tournament was concluded on Saturday, March 10, with the presentation of County of Vulcan trophies by School Superintendent Earl Hawkesworth to Milo captain Carolyn Robertson and Champion captain Gary Hilz.

Six schools were represented in the tournament: Lomond, Milo, Arrowwood, Mossleigh, Champion and Vulcan.

Carnegie Course

The fifth session of the Dale Carnegie Course was held last Wednesday with 40 members in attendance. Leon Bateman who earlier in the day suffered a heart attack was unable to attend.

Instructor Frank McCool officiated with Vulcan's graduates and two guests from Calgary assisting. Three members of the Calgary class were also in attendance to make up Session Five that they had missed. Highlanders Hold Mixed Bonspiel

The annual "A" Company, Calgary Highlanders, mixed bonspiel was held on Sunday, March 11, with 12 rinks competing.

The point system was used in determining the winners. First prize was won by Fred Standing's rink with other members of the rink being Jackie Larkins, Ken Gatenby and Bob Gerding.

Other prize winners were: 2nd prize, Joe Main (skip), Betty Johnston, Jim Jensen, Ruth Richardson. 3rd prize, Don Williams (skip), Mrs. Norton, Clayton Clarkson, Lena Burgess. 4th prize, Ed Zilke (skip), Cathy Sutherland, Alf Ullly, Mrs. Don Williams.

Following the curling, supper was served in the Sergeants Mess at the Armouries, catered by the Vulcan Hotel Dining Room. Prizes of trophies supported by sets of miniatures were presented to the winners by Staff Sgt. Doug Wilson.

Russel Gottenberg and the Special Achievement to Carson McKay.

Two Departments At Phone Office

Possibly not too well known to the general public is the fact that two distinctly separate departments are operated at the Vulcan telephone office. The traffic department is responsible for service on calls, while the plant department is responsible mainly for operation and maintenance of the equipment.

Matters concerning the placing or receiving of calls are the responsibility of the traffic department. The telephone operators are the full responsibility of the Chief Operator and any person having reason to refer to an operator, whether it be a commendation or service complaint, must refer the matter to Mrs. V. Ostergaard, head of the traffic department.

Good Deeds W.I.

The Good Deeds Women's Institute March meeting, attended by 14 members and five visitors, was held at the home of Mrs. Grace Smith. Due to the absence of Mrs. Lena Brown, the position of secretary was taken by Mrs. Eileen Wylie. This month's roll call was a tasty cookie exchange.

During the business session, Mrs. Pat Dingwall was elected delegate to the district convention held in Lethbridge next month. Mrs. Bert Maisey, district convener, delivered a most informative talk on Institute affairs and reported on the recent Cancer Workshop held in Calgary.

The tea raffle was won by Mrs. Agnes Campbell while Miss Ware entertained the ladies with a witty, amusing recitation. To conclude a pleasant afternoon lunch was served by the hostess, Miss Viva Dennison and Mrs. Mary Andrews.

Fire Prevention Work Gets 'Honorable Mention'

Competing in the International Fire Prevention Week contest, the Vulcan Fire Department has received an Honorable Mention in population class "F."

This award for outstanding activity in fire prevention is in the form of a Certificate of Merit from the National Fire Prevention Association.

In notifying Fire Chief Robert Johnston of the award, Provincial Fire Commissioner A. E. Bridges said: "This is an outstanding award and we wish at this time to extend our congratulations. As fire commissioner, I want particularly to express my appreciation for the fine work of the fire chief, officers and men of the fire department who by their leadership have produced the necessary community effort to make this competition an outstanding success."

Banquet Honors Guides, Fathers

Saturday evening a banquet in honor of 29 Guides and their fathers was held in the Lodge Hall. Among the honored guests were Guide leaders Gwen Graham and Joan Andrews; Scout Master Terry White; Guide Testers Mrs. F. Hess, Mrs. P. Pickersgill, Mrs. T. Brooks and Cassie Graham; Field Commissioner for Southern Alberta, Rick Clark and his daughter. The meal was very capably served by ten Scouts with Scout Leader Ken Houlton in command. Three mothers, Dorothy Myers, Ina Ohler and Ruth Christensen also assisted in the kitchen.

Guest speaker Rick Clark of

Lethbridge gave a very informative talk on Guiding. He stressed the importance of having an aim in life and how the Guide tests prepare them for the future. He then presented Guider Gwen Graham with her Guide Captain's Warrant and several Guides with badges. The most enjoyable evening concluded with everyone participating in a sing-song.

May Organize Hospital District Medical Plan

Wednesday supper meetings will replace noon luncheons for a trial period during the ensuing year for the Vulcan District Board of Trade.

The first such meeting was held at the Hotel Dining Room, Wednesday, March 1, the first under new president, Doug Wilson.

An opportunity to co-operate in formation of an association to enable persons served by the Vulcan Municipal Hospital to receive MSI and Blue Cross benefits under a "Group Plan" — costing less — was described by Frank Wythe, local hospital secretary.

The plan, successful in its operation at Carmangay, is being organized by Mr. Wythe as part of a program of the Vulcan Hospital to provide maximum assistance to residents served by its district. This group plan was outlined by the secretary as being the least expensive and most helpful type of medical insurance in its field.

MSI is presently being carried privately by many in the district on a "non-group" basis while some coverage on the group basis is held by local businesses which meet the regulation requiring there to be three or more staff members to take the plan.

Substantial savings per year

could be effected under enrolment in the group plan. The formation of this association requires 75 per cent participation in the hospital district and those with non-group contracts may transfer to the association. Those presently on a group basis can be included for the percentage total.

A member of the Board of Trade will be chosen to meet with representatives of other organizations contacted, in a further meeting on the proposal.

Protests were voiced against the travelling "Auction Sale" which has struck Southern Alberta towns this year and which held a one-night stand in Vulcan during the winter. A delegation was named to attend a future council meeting with recommendations aimed at preventing a recurrence of such a practice, a revised peddler licence fee and more control over businesses being operated from residential homes.

To the end of 1961, PFRA has awarded 26 contracts for construction of the South Saskatchewan River Dam. They are valued at approximately \$50,000,000, or just over half the total estimated cost of building the structure. Nineteen of the contracts have been completed.

PRESENTATIONS AT ANNUAL GYMKHANA DANCE

Officers Are Elected Arrowwood Gymkhana Assoc. Makes Plans For Busy Year

Though the riding stage is still two months away, the Arrowwood Gymkhana Association is busy organizing for the spring and summer events and so far the annual meeting and dance of the group have been held.

The third annual dance was held late in January and despite a bitterly cold night, a big crowd got the full treatment: western attire, square dancing to Thurber's orchestra, door prize and the company of a horse on the stage for part of the evening.

A western picture lamp as door prize was won by Gordon Ingraham and a draw for a doll on which tickets had been sold earlier, was won by Mrs. Timber House. The doll, complete with a wardrobe of 10 outfits, was made by Elsie Leslie of Mossleigh and donated to the Gymkhana Association.

The annual meeting of the four-year-old association was held Jan. 15, with the following officers elected: President, Timber House; vice-president, George Ward; secretary-treasurer, Roy King; directors, Ken Buxton, Percy McInenly, George Randle, E. N. Bertschy, Art Nelson and Bob Barr.

An average of two gymkhanas a month were held between May and September of 1961 and this year plans are to hold one monthly beginning in May. With the presence of Gymkhana Associations at Cluny and the Lake McGregor Association, Arrowwood members will be a chance to take part in these gymkhanas and will have those members as guests at Arrowwood.

Thirty-three members, including three family memberships, make

up the Arrowwood Association with fees being \$2.50 for children, \$5.00 for adults and \$12.50 for family memberships.

Following is a list of 1961 trophy winners and donors with the event listed first, the winner second and the donor last.

Open Barrel Race, Bob Barr — C. R. Curtis; 15 and under Barrel Race, Carol King — G. A. Ward; 11 and under Barrel Race, Alan Barr — Arrowwood Garage; Open Keyhole Race, Percy McInenly — Erseman Bros.; 15 and under Keyhole Race, Frank McInenly — Ken Buxton; 11 and under Keyhole Race, Rocky Wilson — Pete Brown; Open Stake Race, E. N. Bertschy — Arnold Fraser; 15 and under Stake Race, Carol King — Lions Club; 11 and under Stake Race, Alan Barr — King Ranch; Open Pole Bending, Timber House — Gen's Mayfair Store; 15 and under Pole Bending, Carol King, Joyce and Timber House; 11 and under Pole Bending, Alan Barr — Mullen Bros.

Not only is the gymkhana sport a big feature of Arrowwood and district summer life but indicating the spread of this pastime across the province is the fact that 16 clubs from Southern Alberta competed last fall at Calgary in the Southern Alberta Council of Riding Clubs and Association Show.

Arrowwood entries who placed were Carol King, 3rd in Junior Pole Bending; E. N. Bertschy, 2nd in Open Keyhole Race; Carol King, 2nd in Junior Western Equitation and 3rd in Junior Stake Race; Jo McInenly, 2nd in Ladies' Barrel Race; Bob Barr, 1st in ¼ Mile Open Race; Ken Burton, 1st in ¼ Mile Open Race.

Patients in the local hospital last week were Mr. McLeod of Champion, Mr. Christensen of Calgary, Mrs. Dahl of Calgary, Mrs. Edith Zebeck of Barons, Dalton Stafford, Clifford Skriver, Mr. Hunt, Mrs. Cella Hovde, Mrs. M. Fremstad, Mrs. Audrey Baldwin and Marilyn Renning.

Mrs. Mildred Marrier returned to Port Arthur having spent several weeks in the local hospital.

UNITED CHURCH WOMEN

Group 1 of the UCW held their March meeting at the home of Mrs. Craig. There were 10 members and one visitor present.

With the president and secretary being absent, the vice-president, Grace Hillard, conducted the meeting with Miss Eberly acting as secretary. Mrs. Morrison read the lesson, taken from Psalm 96 and the second chapter of Ephesians. The theme for this year being, "Praise Ye The Lord."

After a short business period, Rena Burns gave a report on the recent meeting held at Nanton, which was attended by three of the members. The rest of the time was spent in listening to a recorded talk on the work of the UCW.

At the close of the meeting a delicious lunch was served by the hostess, Mrs. Craig.

C.W.L. MEETING

CWL Parish Council of Carmangay met at the home of Mrs. Bob Parker on Thursday evening, March 1. Thank-you notes were read from Mrs. John West and Mrs. Janet Blue's relatives from Calgary.

It was decided that a parish pot-luck party be held on Sunday afternoon, March 18. The members also decided to have a phone-in bake sale on Friday, April 13. President, Mrs. Parker reminded all that the League Magazine subscriptions are due, also that used literature for Foreign Missions should be brought to the next meeting.

Mrs. Rudy Hubka, as convener gave an interesting report on Girl Guides. Secretary instructed to send for 12 CWL insignia for Girl Guides. A questionnaire pertaining to CWL business was presented by President Mrs. Parker and convener of education, Mrs. R. Minty, to the members as a contest — there were no perfect scores.

Father Marien gave his blessing at the close of the meeting and the prayer to Our Lady of Good Counsel was recited.

ELSIE DOWNING

Mrs. Elsie Downing, old-timer of the Carmangay district, passed away in a Calgary hospital on March 4, 1962.

Mrs. Downing was born in 1882 in Essa Township, Ont., and raised in Alliston, Ont. Prior to her marriage, Miss Elsie Gertrude Gilroy taught in Ontario, Saskatchewan and Alberta. She married the late Julius Downing in 1911 and farmed in the Carmangay district.

She is survived by four daughters, Mrs. Melville (Sharon) McLean, Mrs. K. R. (Mary) Bjornson, both of Champion, Mrs. W. G. (Vera) Girvin of Calgary, and Mrs. B. W. (Dorothy) Shields of Didsbury; nine grandchildren; one sister, Mrs. T. H. Hewitt of

District News

TRAVERS

Mr. and Mrs. Floyd Howg were visitors of Mrs. E. J. Cameron at Mossleigh. Mrs. Cameron is with her sister, Mrs. J. Bain for the winter.

The district 205 Alberta Wheat Pool meeting was held March 6, in the IOOF Hall in Milo. Jasper Root, Ed Emelson and W. A. Watson, the appointed advisory committee for the Travers area attended and reported the meeting was very interesting.

Mrs. E. E. Murphy spent three days in Lethbridge this past week.

Gordon George attended the Quarterly Conference of the LDS Church at Taber on the weekend. Floyd Howg along with Art

Howg, Bud Peterson and Melvin Severson of Enchant curled in the District 14 Farmers Bonspiel held in Lethbridge.

HAPPY HOURS W.I.

The Travers Happy Hours W.I. met at the home of a former member and past president, Mrs. John Gray of Lomond. There were 10 members and five visitors present. Roll call was answered with a tea towel for the club house.

Mrs. Eric Peterson gave an agricultural report entitled, "New Life for Straggly House Plants," which was of interest to all. Mrs. Frank Tolson, the handicraft convener, reported on the History of Jewellery through the ages. She told of the precision work re-

quired on precious stones to make them valuable. This was all very interesting and enjoyed by all.

Mrs. Stewart Christianson was chosen delegate for the District 4 Conference to be held April 3-4, in Lethbridge. Alternate delegate is Mrs. Ivan Steeves. All members were urged to attend if possible.

A sewing clinic is to be held the Tuesday evening in April with Miss Elizabeth Bartman, Lethbridge District Home Economist in charge. A letter from North Taber Constituency convener, Mrs. Frank Tolson was read. She especially asked the branch to search among their members for someone who would let their name stand as publicity convener for District 4. Mrs. Stewart Christianson's name was submitted.

The club decided to have the 1963 Provincial Conference held in June at the University of Alberta in preference to the McDonald Hotel in April. It was also decided to order 100 more cook books at once since the first printing is nearly all gone.

The members drew names for mystery pals. Mrs. Beverly George won the raffle, a set of cake pans and the evening's contest was won by Mrs. Ruth Peterson. Lunch hostesses were Mrs. John Gray, Mrs. John Zuba and Mrs. Ivan Steeves.

The March meeting hostesses will be Mrs. A. Dunbar and Mrs. W. Watson. Roll call will be an exchange of plant slips or bulbs.

LITTLE LADIES GIRLS' CLUB

The Travers Little Ladies held their regular March meeting in the WI club house with 15 members, three visitors and the supervisors, Mrs. Frank Tolson and Mrs. Doug Walker present.

The birthday apron was passed on and several members turned in tickets on the flatware raffle. Donna Root was elected delegate to the District 4 Girls Club Conference to be held March 31, in Picture Butte. There will be a meeting March 24, and all members are requested to bring their handicraft on that date.

Public speaking was given by two members in preparation for the conference. The raffle was won by Debby Walker. Roll call was for each member to bring a baby picture of themselves.

Lunch served by Anne Lewis and Wendy Root was enjoyed by all.

REGULAR FRIDAY AND SATURDAY SALES
 PLEASE NOTE: We are open every Thursday night until 11:00 p.m.
 Please bring your livestock early.

— LAST WEEK'S MARKET REPORT —

FRIDAY, MARCH 9th— Our best buyers were more selective this week than last and as a result we had to "pass out" some cattle that weren't carrying enough finish to bring a fair price.

Our good to low choice butcher steers sold \$21.00 to \$23.00, with a load of the \$23.00 — 1060 lbs. steers going export; Good to low choice butchers \$19.50 to \$21.20; Good cows \$15.00 to \$16.50; Medium cows \$13.00 to \$15.00; Good bulls \$16.00 to \$18.00; Common bulls \$12.00 to \$15.00. The feeder and stocker market was keen with 17 Angus bull calves selling from \$25.25 to \$26.00; 41 Angus heifer calves sold at \$21.00 to \$21.25; Yearling Heifers \$19.00 to \$22.00; Stock cows \$140.00 to \$182.50. Real good stock cows that calve soon could bring considerably higher prices.

SATURDAY, MARCH 10th— Big feeder pigs sold exceptionally well. People are reluctant to buy the weaners and small feeders when the weather is cold. If it ever warms up this picture should change. Weaner pigs \$3.00 to \$6.00; Feeder pigs \$6.50 to \$24.00; Piggy gilts \$27.50 to \$35.00; Good piggy sows \$35.00 to \$60.00; Boars \$12.00 to \$25.00; Milk cows \$150.00 to \$220.00. Baby calves are in keen demand and sell from \$12.00 to \$50.00 depending on kind and quality.

FRIDAY, MARCH 16th, at 1:30 p.m.—

ARMADA

Harold Magnuson, Irvin Bennett, Stan Hendrickson and Herb Craine were curling in the Vulcan bonspiel last week. On Thursday evening they were caught in the blizzard and spent the night in the curling rink, returning home Friday morning.

A blizzard hit the district on Thursday night with high winds which caused severe drifting, temperatures did not go much below zero.

Mrs. Georgina Bennett and girls spent several days at the home of Mr. and Mrs. Oakes of Arrowwood. Mr. and Mrs. Max Hanna were Thursday visitors to Arrowwood and Calgary.

Several attended the Great Raven show in Calgary on Thursday evening, some of them being Mr. and Mrs. Frank Stokes, Mr. and Mrs. Stan Marks, also Mr. and Mrs. Arnold Boe. All the above mentioned were caught in the blizzard and had to spend the night at Vulcan.

Mr. and Mrs. Irvin Bennett and girls were Lethbridge visitors last Monday.

Nearly all the teen-agers attended the social evening held at the Lomond school on Friday evening. Sheila Lucas spent the weekend at the home of Cheryl Herman.

Mrs. Gordon Lucas was a patient in the Vulcan hospital where she underwent surgery, but is greatly improved now.

Mrs. Ann Marks and Mrs. Doreen Sparks are holidaying at the coast, Leonard Marks is staying at Calgary.

Sunday school was held on Sunday morning with a very good attendance.

The girls of the Armadettes held their monthly meeting last Saturday at the school.

Herb Craine, Gordon Lucas and Melvin Magnuson represented Armada at the Wheat Pool District meeting at Milo last Tuesday.

Art Marks was a Thursday visitor to Brooks and he also had the misfortune of being caught in the blizzard but was lucky enough to make it home without too much trouble.

COMMUNITY CLUB

The ladies of the Community Club met at the school on Wednesday March 7 with Mrs. Margaret Herman as hostess. There were 15 members and three visitors present.

The club will be sending a gift to Mr. and Mrs. Leonard Marks. A gift is also to be sent to Mrs. Oakes as she was always such an active member of the club. It was also decided to serve lunch at the Herman sale, whenever it is to be held. The tea raffle was won by Mrs. Hazel Beagle. Mrs. Sis Stokes, entertainment was a cribbage game with Mrs. Wilma Boe winning top prize.

A delicious lunch was served by Mrs. Hazel Beagle and Mrs. Mary Chambers assisted by the hostess.

KIRKCALDY

Mr. and Mrs. Eugene Kuykendall were weekend visitors at the home of the latter's brother-in-law and sister, Mr. and Mrs. Bert Maisey on route to their home at Grande Prairie, after visiting relatives and friends in the United States.

Mr. and Mrs. Evan Munro and family motored to Lethbridge on Wednesday of last week.

Mr. and Mrs. Bill Murray were Lethbridge visitors on Thursday of last week.

Mrs. Glen Bateman attended the funeral of her aunt, Mrs. J. Downing in Calgary on Wednesday of last week.

The Kirkcaldy Community Club held a successful card party on Friday evening with 16 tables in play. Whist prizes were won by Mrs. Carl Carlson, Bob Cutler for high place, Roy Fulton and Mrs. Del Sawin for low place. Bridge prizes were won by Miss Sissons, Frank Hess for high place, Mrs. Walter Mix and S. Degenstein for low place. During lunch a birthday cake and a gift was presented to Miss Nettie Ware on the occasion of her birthday anniversary by Mrs. Calvin Hollister on behalf of the Kirkcaldy community.

QUEENSTOWN

Congratulations go out to the grade 9, 10 11 girls of Milo School in winning the County Basketball tournament in Vulcan on Saturday, March 10.

The Home and School meeting was cancelled on Thursday due to blizzard warnings. School was also closed the following day due to blizzard conditions.

The annual Milo Variety program is being held on Friday, March 16. All rooms participate in this worthwhile venture and teachers try to have as many children participate as possible. Proceeds of same is divided between different rooms for their various projects.

High River Trying To "Grab"

The High River Municipal Hospital Board has embarked upon what is apparently an intensive campaign to have the site of the proposed auxiliary hospital moved from Vulcan to High River.

The area proposed to be served by the auxiliary hospital is, admittedly, somewhat large, due to the sparse population but whether or not the area would be served better from High River rather than from Vulcan is a debatable question. Certainly many of the arguments now being used by High River in an effort to have the auxiliary hospital site changed could be used by Vulcan if High River had originally been chosen as the site.

The space is available in Vulcan adjoining the active treatment hospital; the water situation is now in process of being considerably improved; location does not affect the cost to the tax-paying bodies within the boundaries to be served by the proposed hospital. One point, made much of by the High River hospital board, is that since a home for the aged is located in High River, the auxiliary hospital should just naturally be located there, too. Well, a home for the aged will likely be constructed in this part of the area some day, too, so that would leave us in the same situation, wouldn't it?

High River's hospital board is undoubtedly acting in good faith and for the best interests of High River, but the people from the southern and eastern parts of the County of Vulcan are certainly entitled to consideration just as much as the people from the area north of High River. The High River hospital board's efforts to bar the construction of the auxiliary hospital at Vulcan will hardly be looked on with favor by the residents of Little Bow provincial constituency. The County of Vulcan has made representations to MLA Hon. Rev. Peter Dawson to have construction proceeded with at Vulcan in accordance with the ministerial order setting up the auxiliary hospital district and we trust that High River's attempt to "grab" the proposed auxiliary hospital meets with the failure such action deserves.

—Sadly missed by Cattoni and Pasoli families. 32-1x

LOVE— In loving memory of our mother, Bertha Love, who passed away March 13, 1960.

Two years have passed and gone,
Since one I loved so well,
Was taken from my home on earth.
With Jesus Christ to dwell.
The flowers I place upon her grave,
May wither and decay,
But the love for her who sleeps beneath,
Shall never fade away.
—Lovingly remembered by her daughters and sons. 32-1p

BERRYWATER

Mrs. Webber, Sr., John and the Clifford Webber children were Sunday visitors at the Willis McIntyre home at Lomond.

Tom Webber attended the Odd-fellows and Rebekah Assembly in Calgary the latter part of the week.

Mr. and Mrs. Nick Hlokooff were Calgary visitors on Thursday.

Mr. and Mrs. Stan Wickstrom, Mr. and Mrs. Clifford Webber and Russel Smith attended the opening of the new Cambrian Heights Church of Christ in Calgary, Sunday evening.

Mr. and Mrs. Leonard Jones and Lloyd were Sunday visitors at Travers where they were guests of Mrs. Jones' father, John Dulski.

J. Salken and Dave were Calgary visitors on Saturday. The district extends sympathy to the Hoffman family on the death Monday morning of their father, Jake Hoffman, at the Lacombe Home. Funeral services will be held Friday at 11:00 a.m., from St. Andrews Roman Catholic Church in Vulcan.

Mr. and Mrs. Iven Stager and boys returned from Coeur d'Alene, Idaho, on Sat. March 10, where Wayne was taking treatments.

F.W.U.A. MEETING

The Berrywater FWUA meeting was held on March 7 with Mrs. Muriel Smith as hostess. Two visitors and 15 members who answered roll call with a child's book which will be donated to the Vulcan Hospital.

A discussion on part time attendance at school for ages 16 to 18 took place.

It was everyone's wish that the local association should adopt Donka for another year and a letter was read from him. The

scrap book which was made with pictures of his mothers, their families and homes and other interesting pictures has been sent to him.

Notice was received of the FWUA District 12 Convention to be held in Arrowwood on April 4. It is hoped there will be a good attendance. Anyone interested could let either Marjorie Love, Jeanette Sinclair or Lorna Gerding know.

Names for Junior FWUA Queen Contest in Edmonton are being considered. An interesting report was given by the library representative, Mrs. Iza Oldfield. Mr. Hawksworth Superintendent of County Schools was a guest speaker. His subject was "Technical and Vocational Training. After a very interesting and informative talk he ably answered all questions asked.

The tea draw was won by Mrs. Iza Oldfield and a lovely lunch was then served by Helma Sharp, Bertie Oldfield and Iza Oldfield. The next meeting will be at Lorna Gerdings on April 5 and will be the last evening meeting until next fall.

REDLANDVIEW

Mr. and Mrs. Ivan Stager and family returned home on Saturday after a months stay at Coeur d'Alene, Idaho.

Roy Leroh of Edmonton and Bill Cutforth of Olds spent the weekend at their respective homes in the district.

Mr. and Mrs. Neil Giles and family were Sunday visitors at the High River home of Mr. and Mrs. Ross Giles.

Mrs. A. Jacobson and Clara spent the first part of the week in Calgary.

Mr. and Mrs. Victor Fulton were Thursday overnight visitors in Calgary.

A surprise party took place at the home of Mr. and Mrs. A. Jacobson on Saturday evening, March 10 when friends and neighbors gathered to congratulate and wish them well on their 35th wedding. Cards were p. Bd-ollerB pa anniversary. Cards were played after which A. Fulton on behalf of assembled guests presented the Jacobsons with a useful gift. The serving of a tasty lunch concluded a pleasant, social evening.

If you wish to be perfect, follow the advice that you give others.

4-H Club Notes

Vulcan West-Ensign 4-H Club—

The Vulcan West-Ensign 4-H Calf Club held their meeting on March 3, at the Ensign Hall, in the form of a public speaking competition.

First place was awarded to Wayne Lucas who spoke on "How to Choose a Beef Calf." Lorraine Roebuck was second with a talk on "Faith in Our Future." R. D. Gothard, who spoke on "Choosing a Saddle Horse," was third. This competition was judged by Mrs. Kay Brooks, Norman Soder and Ivan Haga, all of Vulcan.

Following the competition, a short business meeting was held, followed by a lovely lunch served by the members' mothers.

BERRYWATER 4-H BEEF CLUB

The regular meeting of the Berrywater 4-H Beef Club was held Friday night, March 2, at the Berrywater Community Centre. The meeting was opened with the repeating of the 4-H Pledge, led by Jim Oldfield. Fourteen members answered the roll call with the parts of a beef animal.

The business of the meeting included arrangement for the club tour of members' calves to be held in April. Club Leader Peter Silbernagel gave the highlights of the Alberta Club Leaders Conference which was held at Fort Macleod. A judging competition to be held March 31 at the farm of Archie Oldfield with Grant MacEwan in attendance a judge, was also planned. A short quiz was then given, followed by adjournment of the meeting.

The special guest for the evening was Frank Burgess, representative of United Grain Growers Limited. He gave a very inspiring talk on Canada's future generation and the value of 4-H clubs. Following this he showed an educational and interesting film on "The Hereford Story". After the film he showed his collection of slides of scenic points throughout Alberta and Saskatchewan. His talk, film and slides were greatly enjoyed by everyone. Lunch was then served.

On Feb. 9, a successful dance was held in Milo. The door prize, a carving set, was won by Lawrence Gooch of Milo.

The Annual, Berrywater 4-H Curling Bonspiel was held at Milo, on Feb. 11. The winners of the first event was the Lomond rink skipped by Bill Thompson. Members of the Lomond rink were Lois Root, Charlene Lucas and Jack Williams. Second event winners were David Salken, skip, Lana MacLean, Murdo McIntyre, and Randy Steiner.

Arrowwood 4-H Clubs—

On March 5 the members of the club held their second annual public speaking competition. The judges for the occasion were Clarence Roth D. A., Mrs. M. Ward of Arrowwood and Mrs. Hagedorn of Mossleigh.

While the judges were making their decisions the members held a short meeting. The winners representing the beef club were Nadine Arney and Carol King tied for first; and Merle Wyatt was the alternative.

Winners for the grain club were Donna Williams first, Ralph Seeley second and Susan Hayes alternative. Nadine, Carol, Donna and Ralph will all be competing in Vulcan.

LOMOND 4-H BEEF CLUB

The regular meeting of the Lomond 4-H Beef Club was held Feb. 12 in the Lomond School. The meeting was called to order by President Bill Thompson. Lois Root led the 4-H members in the repeating of the pledge. Roll call was answered by 13 members stating the feed given to their calves. The Secretary read the minutes of the last meeting.

Mr. Roth gave a very interesting talk on public speaking which was enjoyed by all.

The program ended with a question period on management and feeding of calves by Lois Root and Wendy Elliott.

The next meeting will be held on March 12.

A rink from the club motored to Milo for the 4-H Curling Bonspiel at Milo on Feb. 11, which they won.

High School Basketball Tournament

(Continued From Front Page)

defeated Arrowwood 22-11 and Vulcan defeated Lomond 23-7. In the semi-finals, Mossleigh defeated Champion 14-13 in one of the better games of the day and Milo beat Vulcan by a 25-13 score.

The final game saw Milo, last year's winner and tops in the league, beat Mossleigh 22-12.

Milo: Carolyn Robertson, Joy Black, Lynne Godkin, Paulette Robertson, Linda Page, Louise Gooch, Donna Hellevang, Linda Gooch, Lana McLean, Sandra Oldfield and Joan Papp. The coach was Mr. Olson, vice-principal of Milo school.

Mossleigh: Mariene Bertschy, Lana Scott, Leona Meadows, Judy Robinson, Joyce Hill, Linda Hill, Charlene Meadows and Barbara Scott. Coach was Mr. Wellman, principal of Mossleigh school.

Near the end of March, the Milo girls will travel to Medicine Hat to represent the County of Vulcan in part of the Southern Alberta Basketball Association tournament.

Boy's Tournament

The two favored teams were Milo and Arrowwood, top winners in league play.

In the first game, the more experienced Vulcan team, paced by David Lundgren with 22 points, defeated the Lomond team by a 5-26 score. The second game saw Champion defeat Mossleigh by a 42-20 score. Top scorer for Champion was Frank Cummins with 14 points.

In the semi-finals, Vulcan got 34 points to Arrowwood's 31, with Vulcan's Doug Graham and Arrowwood's Jack Murdoch both getting 11 points. Arrowwood led every quarter but one. In the other semi-final, Champion ran up 37 points to Milo's 29. Champion led the game all the way, helped by Terry Rhodes' 12 points and Frank Cummins' 11. Barry Gore was top scorer for Milo with 12 points.

The final game between Champion and Vulcan was a real thriller; a hard one to win and a hard one to lose. Scores at the end of the quarters were: 11 to 9 for Vulcan, 19 to 17 for Vulcan, 33 to 32 for Champion and 38 to 34 for Champion at the end of the game. Top scorers were Doug Graham for Vulcan with 16 points and Gary Hilz with 14 points for Champion.

Champion: Gary Hilz, Terry Rhodes, Frank Cummins, Lyle Ferguson, Ian Palk, Doug Rhodes,

LOMOND

Best wishes for a speedy recovery are extended to Jimmie Adams, who is a patient in the Medicine Hat Hospital.

Mr. and Mrs. Alex Dodds and son Ronnie were visitors at Medicine Hat last weekend.

Mr. and Mrs. Johnnie Gray and son Gordon, accompanied by Terry Chase, spent Saturday in Lethbridge.

Mr. and Mrs. Jim Lay and family were weekend visitors in Calgary.

Mr. and Mrs. Pete Ruppert and family motored to Craigmyle on Sunday to visit the formers brother-in-law and sister, Mr. and Mrs. Mark Lenfeste and family.

Mrs. Lena Huff is spending 10 days or so at High River visiting relatives.

Mrs. Edith A. Bennett has returned home after spending the past week at Edmonton.

Mr. and Mrs. L. Chase and Terry were Sunday visitors at the Bobbie Nunn home at Vulcan.

Peter Degenstein Sr. of Brooks was a recent weekend visitor at the home of his son-in-law and daughter, Mr. and Mrs. Kay Elliott and family.

Alec Fraser and Mr. and Mrs. Kjeld Pederson were visitors in Lethbridge on Thursday of last week.

Spring should be just around the corner. Rather than the gophers are really hungry around here. They have been out over three weeks now, according to all reports, even in the very cold below zero weather.

A Lake McGregor District Cub and Scout Leaders meeting was held at the Lomond Scout Hall on Monday evening March 5.

Lions Doug Walker, Len Chase and Earl Heiland motored to Vulcan on Monday evening March 5 to attend a Lions Club June meeting.

Mr. and Mrs. Arthur Berger were visitors in Lethbridge on Thursday of last week.

Anyone not being able to spot the Lomond News in last week's paper will find it mixed up with the Mile News. There is not too much but then the correspondent is having a difficult time getting the news items.

The Lomond Cubs and Scouts held a successful Bottle Drive on Saturday, March 10.

The Red Cross Campaign is well under way throughout Alberta. Those wishing to donate funds towards this worthy cause please contact Mrs. L. M. Chase during the month of March. Your help will be greatly appreciated in helping reach the objective set for Lomond district.

Fire destroyed the home of Kenneth Deffen on Sunday while Ken was away in Calgary visiting his wife and family, who are residing there while Kay is taking a Teachers Training Course. Cause of the fire is not known at present. Some furniture was saved. Although the local Volunteer Fire Department from Lomond was called out it was too late to save the house.

Mr. and Mrs. Oliver Hart and family and Mrs. F. E. Hart were Sunday dinner guests at the home of Mr. and Mrs. Aubrey Root.

GOOD WILL SERVICE CLUB

The February meeting of the Goodwill Service Club was held at the home of Mrs. Stella Williamson on Feb. 28. The vice-president Mrs. Laverne Schiaht was in the chair. Due to another cold night there were only nine members answering the roll call.

The programs for the remainder of the year were planned. It was decided to give Mr. and Mrs. Leonard Marks a gift after their recent fire. The nickel draw was won by Mrs. Pauline Walker.

The March meeting will be held at the home of Mrs. Mae Chapman with the roll call to be giving a penny for every inch around your head.

At the conclusion of the meeting a delicious lunch was served by the hostess and her committee.

ST. JOHN'S ANGLICAN GUILD

The February meeting of the St. John's Guild was held at the home of Mrs. Reg Frost. The meeting was called to order by repeating "The Lord's Prayer." Six members and five visitors were present.

The time of Church Service in the Anglican Church at Lomond has been changed from 3:00 p.m. to 9:00 a.m. This change had been discussed at the Guild meeting and the decision was left to Rev. McCintock.

Following the regular order of business, sewing materials for the June Bazaar were displayed. Anyone wanting some material to make up to contact the secretary. Mrs. A. Clifford gave a short report on the Sunday School. Guild meetings are now to be held the third Wednesday of each month. The next meeting will be March 21 at the home of Mrs. Leonard Chase.

On lunch, Mrs. Chambers, Mrs. Hanna, Mrs. Maronda and Mrs. Ruppert. Roll Call Auctions have been discontinued.

A very lovely lunch was then served by the hostess and assistants to end a most pleasant evening.

EASTWAY

Report Of CSGA National Meeting

Ellwood R. Irwin,
Box 338, Barons, Alta.
March 2, 1962.

To the Editor of The Advocate,

In reporting to the members of the Canadian Seed Growers' Association at large, of which there are about 7,000 in Canada, and others interested in seed growing I might pass on a few of the highlights that took place in Ottawa where I attended the Executive Council Meeting of the National Organization early in February.

The new Pedigreed Seed Program has been underway for a year and it is being watched with keen interest. While Board Members are not in complete accord with all the regulations, still they feel that the new program is a step in the right direction.

Seed Grades are not all to the Board's liking, however the Federal Government has indicated that the whole set-up should be given a trial for three years, and then with some observation and study, some recommendations can be expected to be forthcoming.

Where last year the assessment of the membership was listed under two headings, this year they are to be consolidated under one heading and the general assessment is to be 20c per acre with a minimum of \$5.00 per member. This consolidation of charge will help save office expenses. Of the total assessment collected for 1962, 60% will

Honourable L. C. Halmrast, Minister of Agriculture for the Province of Alberta, signs the official declaration naming the month of March, 1962, as Good Seed Month. Giving their approval are (left) George I. Penner, Rosemary, President of Canadian Seed Growers Association, Alberta Branch and Eldon Kaun, Red Deer, Vice-President of the Association.

In the declaration the Minister commended to all farmers the use of the best quality seed available for sowing in the fields of Alberta in the Spring of 1962. He urged seed dealers and all handlers of

seed to support and emphasize the use of top quality seed for better crops.

For a high yielding, top grading crop, the Canadian Seed Growers Association urges farmers to sow certified seed. This is proven seed with a pedigree that is clean and vigorous.

Certified seed, identified by the distinctive blue tag, is made available to farmers through the efforts of the Canadian Seed Growers Association with the co-operation of the Canada Department of Agriculture.

Officers Re-elected At Annual Meeting Of CSGA

The retiring members of the Board of the Alberta Branch were re-elected. At the Board Meeting which followed the Officers were re-elected to the same offices they held last year. This will be the second year for Mr. Penner and Mr. Kaun as president and vice-president respectively.

The Annual Meeting was unanimous in its approval of a motion asking the Branch to embark on an Educational and Publicity Advertising Program of a Provincial nature, which would complement the National CSGA advertising program by filling in the little areas not covered by the large National effort, this venture was to cost in the neighborhood of \$4,000.00 and to get this amount Alberta Branch members fees are to be increased to \$10.00 per member. There were no dissenting votes against this resolution.

Another resolution asking that every consideration be given to putting the purchase of seed grain on the 100 pound unit basis was carried unanimously. This would mean selling seed on the pound

basis, and the decimal system would be on the 100 pound unit basis, the sacks would not necessarily have to be sealed on that basis, although the general feeling was that this might be preferable. Some indicated that 80 pound and even 50 pound unit packages might become the accepted practice. If this came into being the days of the old "Bushel" would pass out. Now the accepted practice is to seal pedigreed seed grain that are cereals in two bushel units where wheat, rye, flax and barley are concerned, and three bushels to the bag where oats is concerned. Thus a sack of registered or certified seed wheat weighs 120 lbs. It was pointed out that our pedigreed forage seeds are now sold on the 100 unit basis without any trouble.

These resolutions will come before the Annual Meeting of National Organization which is to be held this year in Winnipeg June 20, 21 and 22.

Several other resolutions of minor nature were also presented at the meeting.

To the Editor of The Advocate,
No doubt a large portion of your subscribers are farmers who plant seed of one kind or another, and it is this initial outlay that determines in large part the success of their venture when it ends up at the end of the season in harvest time.

We learn from "Seed Drill Surveys" that far too many farmers continue to plant seed that grades "Rejected". How different is this picture when we travel to Western Europe and find that practically all seed sown has a "Pedigreed Status". The farmers there learned

Many farmer-seed growers in and adjacent to the County of Vulcan are members of the Canadian Seed Growers Association. The following list is not necessarily complete, but is accurate to the best of our knowledge:

C. H. Andrews, Vulcan; P. H. Anderson, Carmangay; Both Bros., Blackie; R. Bertrand, Milo; M. T. Bradley, Carmangay; Clayton's Pure Seed Farm, Vulcan; S. Davies, Carmangay; L. Graham, Vulcan; H. The Canadian Seed Growers' Association has one main purpose. It is to supervise the multiplication of small quantities of valu-

able plant breeders' seed so that large quantities of it can be made available to Canadian farmers at reasonable prices for the general improvement of commercial crops.

The CSGA's system of seed production is unique and held in very high regard in other parts of the world. Many other countries have adopted it outright or incorporated portions of it into their own systems of seed multiplication.

The CSGA was first organized in 1904 and today is the sole seed pedigree agency for Canada, with over 6,000 members.

The trouble with the chronic borrower is that he always keeps everything but his word.

be used for administration, and 40% for the Education and Publicity Program. It is felt that this formula will eliminate any need for immediate increase in general assessment.

The Head Office will continue to collect fees for the affiliated Branches of which there are five. The one in Alberta is known as The Alberta Branch of the Canadian Seed Growers Association.

The fiscal year of the Canadian Seed Growers Association is being changed from the end of May to the end of April. In future the fiscal year shall be May 1st of one year to April 30th of the following year.

In checking the status of the membership it is found that a considerable percentage are failing to get their crop pedigree certificate. They have fouled themselves up for one reason or another. In assessing this list it is learned that the worst offence is that of insufficient or improper "Isolation". Pedigreed fields must have at least a clean ten foot border around them. In some classified crops the regulations relative to this is even more demanding.

"Weeds" are the second largest offender in causing a members crop to lose its certificate. "Other Kinds" which refers to mixtures, comes a close third. The Board feels that the members in question are not studying the required regulations thoroughly enough. These are contained in Circular Six which may be obtained by writing the Canadian Seed Growers' Association, Ottawa.

SEED DOES NOT COST—IT PAYS".

The Minister of Agriculture for Alberta, the Honorable L. C. Halmrast deserves to be complimented in his efforts to make more farmers conscious of the advantages of good seed when he declared March 1962 to be GOOD SEED MONTH.

Good Seed does not always entail a pedigree — much good seed is now coming from our Municipal Cleaning Plants as well as from the farmer with his own cleaner. However, when farmers plant seed from the sack with the "Blue Label", they need not worry or be concerned any more, because they know that the tag is their

Proper Practices Help To Assure Good Seed Grain

In the Spring of 1961 a survey was made of all the Seed Cleaning Plant Associations, in the Province. Eight hundred seventy three samples of clean seed were picked up and checked. Of the 873 samples, 676 were completely free of weed seeds and the remainder were cleaned to no. 1 seed standards or better. Of the 67 samples picked up at the three plants in the County of Vulcan 55 samples were free from weed seeds, and the remainder were cleaned to No. 1 seed standards or better.

To have a field of grain passed for certification or registration it must be reasonably free of weeds, free of foreign grain and have an isolation strip, of the proper width, free of growth.

To assist in growing good seed, we have the Seed Cleaning Plants which assure us of clean seed to sow. This will reduce the number of weeds in our crop. We can get our seed of uniform size which will give us control of disease in

some grain, better germination and an even distribution of our seed throughout our fields. We also get uniform treating which assures us of all the advantages of seed treatment on all our grain.

Also to assist in growing Good Seed we have a good range of farm machinery of types and sizes to suit the individual grower. This can assure you of cleaner land with better moisture reserves on which to seed Good Seed. We also have the type and size of seeding equipment that may be used to our best advantage. With the post-emergence and pre-planting herbicides for the control of Wild oats, we also have selective herbicides which will control the broad and narrow leaved weeds, giving us the assurance of a cleaner crop.

By taking advantage of the Seed Cleaning plants the proper machinery, the Chemicals for disease and weed control and seeding Good Seed we will grow Good Seed.

What Is Certified Seed?

Just as a registered animal has a pedigree, so has Certified Seed. By tracing its pedigree, one can determine the plant breeder from whom it originated. The blue tag which is attached to every bag of certified seed has its pedigree printed on it.

Certified seed is produced primarily for farmers who wish to improve their crops. It is seed which has been handled under very strict regulations to assure a definite seed variety of high genetic purity and high general quality. When you sow Certified Seed you eliminate part of the gamble involved every time you sow a crop.

The directors and members of the Alberta Seed Growers' Association are concerned with the fact that much of the seed farmers use is often chock full of weeds and seeds of other crops, subject to a variety of diseases or so weakened that it is unable to battle weeds, insects and diseases.

Surveys have indicated that less

guarantee of uniformity, trueness to variety, and high germination. Remember, GOOD SEED DOES NOT COST—IT PAYS.

Yours truly,

E. R. Irwin,
Director CSGA.

than ten per cent of cereal crop is seeded with registered or certified grade. If we compare this with the record of some European countries, namely Denmark, Holland and Sweden, where nearly all the seed is of registered or certified status, we can see the need for improvement in this direction. Seed improvement is the cheapest and most effective way to improve both quality and quantity of production with an absolute minimum of capital investment.

"This year sow Certified Seed and be sure."

Here is hoping for a better crop free of weeds for the EID.

GEO. J. PENNER
Rosemary, Alta.

Seed Treatment Urged At Once

Farmers are urged to get their seed cleaned and treated as soon as possible to avoid the inconvenience of the spring rush. Dry seed can be treated and stored without loss of germination or a reduction in the effectiveness of the treatment, says S. Goddard, Supervisor of Special Projects with the Alberta Department of Agriculture.

Treating seed with mercurial fungicides is just as important for the control of many other fungus diseases in the soil as it is for the control of smut. When grain is not treated, these organisms can injure the seedlings and such diseases as seedling blight and root rots often result. Seedlings from treated seed can grow uninhibited in disease-free surroundings.

If wireworms are suspected, the seed should be treated with an insecticide as well as a fungicide. Second growth, which appears at harvest time in the form of green heads, is a sign of wireworm activity. Many farmers who never thought they had a wireworm problem have found that treating their seed with an insecticide has produced more uniform germination and maturity which resulted in earlier harvests and higher yields.

There are several machines on the market which will apply fungicides and insecticides independently during the same operation. If a combination fungicide-insecticide is used, extra care must be taken to make sure the correct amount per bushel is applied because an overdose of either chemical could be harmful to germination. Mr. Goddard stresses that the label of any chemical must always be very carefully followed.

Value Of Good Seed Emphasized To Grower

Success begins with the seed you sow. The good farmer sows good seed. He knows that weak and weedy seed soon pollutes the land and that weeds and low yields go together.

Clean and take germination tests on all grain intended for seed. Seed drill surveys over a three year period tell us a great deal about the grain that goes into Alberta farmer's drills. Of 3,400 samples taken, 46% were rejected for seed, mostly because of weed seeds, only about 250 of the samples graded No. 1 seed. Many farmers did not check the germination of their seed and used grain that was very low in germination. Only about one-half of the farmers used recommended seed treatment.
